I want to

make theater that de-centers cities, coasts and white masculinity, and use my background in creative media to engage audiences.

I graduated from

Indiana University Bloomington in 2019 with a BA in theatre & drama and a BAJ in journalism.

My skills include

writing, editing, AP style, interviewing, academic & news research, radio/podcast production, front-end web development, print design, sound mixing, cello, violin/viola/cello repair, and Kate Bush karaoke.

I am proficient in

Adobe Creative Suite (Audition, Dreamweaver, Illustrator, InDesign & Photoshop), HTML, CSS, Brackets, GitHub, QLab, and Hindenburg. I'm learning JavaScript, ProTools, Atom and Git.
